Pricing your Items

*How much would **you** pay for it?*

- Be conservative when pricing your items so they will sell quickly.
- A good rule of thumb is 1/3 of the original sale price for excellent condition, and 1/4 of the original sale price for good condition.
- Items must be priced at \$1 or above in whole dollar increments.
- We recommend marking your items for the Half Price Sale.
- **If you mark your items “Donate”, then at the end of the sale, they will be donated to The Hangar, the clothing closet for the Shelby County Foster Parents Association, which provides clothing to children in the Shelby County foster care system. Non-clothing items will be donated to The Foundry.**

Consignor Tips
